Venue Guide

(2021 Anticipated Completion)

Overview of the Colonial Theatre

The Colonial Theatre is a Neocolonial style theatre with heavy Venetian influence, including an original hand painted fire curtain of the Venetian coast, opened in 1914. The entire building is being renovated to its original beauty and is slated to open in Winter 2021. A very compact and intimate room, that will create a memorable night both artist and patrons.

The Colonial Theatre will have a maximum capacity of 750 seats.
